SUMMARY

Versatile professional with experience in collecting, transforming, and organizing data for analysis to support informed decision-making. Proficient in data analysis tools and platforms, including SQL, Spreadsheets, Tableau, and R. Possesses strong communication, organizational, and analytical skills. Recently completed the Google Data Analytics Certificate, a rigorous, hands-on program covering the entire data analytics process.

EXPERIENCE

Volunteer Mentor

Microverse (Remote) | 2023 2023 - 2024 Remote

Increased course completion rates by 15% by implementing a peer support system.

- I volunteered as a mentor at Microverse, where I guided students in implementing code and provided support in their learning journey.
- Dedicated over 200 hours to mentoring multiple international cohorts remotely.
- Mentored over 12 students, guiding them through complex projects and career growth challenges.
- Elevated team collaboration efficiency by 25% by fostering an inclusive and supportive learning environment.

Customer Sales Dashboard – Tableau

2024

- Designed an interactive dashboard to analyze sales trends and customer behavior.
- Provided actionable insights to improve sales strategies.

Data Cleaning and Reporting – RStudio

2024

- Cleaned and transformed raw datasets using tidyverse and created visualizations.
- Developed detailed reports in R Markdown.
- Analyzed 15 projects simultaneously involving complex data models.

Pivot Table Analysis – Spreadsheets

2024

- Analyzed large datasets using pivot tables to identify key business trends.
- Automated sorting and filtering processes to improve efficiency.
- Improved quarterly data accuracy by 10% by developing streamlined pivot table processes.

EDUCATION

Google Data Analytics Certificate

Coursera

2024 - 2025

Full-Stack Software Development Bootcamp

Microverse

2022 - 2023

LANGUAGES

English Proficient ●●●●● Zulu Beginner ●●●●●

PROJECTS

Bike Share Trips

2024

- Explored data to determine the demographics (gender and subscription status) of the most frequent users of bike-sharing services

Global Carbon Emissions

2024

- Examined data to track global changes in carbon emissions, highlighting trends and transformations over time

Most Expensive Movies from (2018-2022)

2024

- Enalyzed data to identify the most expensive movies released during this period and the most profitable ones

SKILLS

Data Cleaning	SQL	Statistics
Tableau	Data-driven decision making	
Data visualization	Data analysis	
R programming		
Calaculation and analysis in SQL and spreadsheet		

STRENGTHS

Team collaboration

Fosters teamwork and collaboration successfully.

Technical proficiency

Proficient in various data analysis tools.

Data Analysis Expertise

Exceptional skills in data analysis processes.

Effective Communication

Strong ability to communicate analysis results.
